

Architectural Designer Internship

Job Location – San Luis Obispo, CA

Responsibilities

4Creeks is looking for an Architectural Designer Intern to help grow a new architecture firm in San Luis Obispo County. The ideal candidate will perform typical duties that relate to residential, commercial, office, industrial, and agricultural projects from the ground up and as adaptive re-uses or retrofits. They will also perform routine aspects of architectural assignments including drafting based on red-lines, preparing high quality construction documents, assembling drawings and project documents for submittal.

Superstars meet our high standards of quality and performance, collaborate with team members across disciplines, follow instructions thoroughly, and grasp concepts with a high attention to detail.

You will be working under a Licensed Architect and can gain AXP Experience during this internship.

Minimum Qualifications

1. Working towards an Architecture or other construction related degree
2. 0 – 2 years of experience in a professional architecture environment performing tasks from design through construction, including preparation of construction documents
3. Demonstrated use of AutoCAD to effectively produce construction documents
4. Understanding of the basic construction systems of walls, roofs, doors, and windows
5. Knowledge of building code concepts and applying to project design
6. Effective manager of his/her own time, setting goals, prioritizing, and completing tasks on time
7. Creative and flexible
8. Desire to build a team or grow professionally
9. Self-motivated and committed to growing him/herself and the firm
10. Excellent verbal and written communications skills
11. Ideal candidates will be completing their education in SLO county and desire to stay in the area post-graduation. Bonus points for work availability while going to school.

Compensation

Salary will be determined by candidate's skill and experience level and highly competitive with industry standards. Benefits package includes full employee health coverage (50% coverage for dependents), company 401(k) contribution, and performance bonuses

About 4Creeks

We are a small band of visionaries, mentors, and citizens, driven by a deeply instilled belief that together we can help solve some of the challenges we face. We're determined to play our part in inspiring a new future in Central California. We call Visalia, Fresno and San Luis Obispo home and we're committed to using all the tools and resources at our disposal to make this region known for greatness.

You'll quickly find out that 4Creeks is built on a fun, challenging and collaborative work-environment. A team-based approach is the standard we uphold, and we believe that no one person is more valuable than the other. We enjoy working together and pooling our resources to provide the best solution we can create together. As you walk through our doors we think you'll see and feel the 4Creeks difference.

For immediate consideration; please email your resume and cover letter detailing your background, skills, and experience to hr@4-creeks.com. Our Human Resource Administrator will contact you promptly for initial interview coordination.
