

Architectural Designer

Job Location – San Luis Obispo, CA

Responsibilities

4Creeks is looking for an Architectural Designer to help grow a new architecture firm in San Luis Obispo County. Working alongside the department head, the ideal candidate will help grow the department from the ground up through collaboration and hard work. Projects will include residential, commercial, office, industrial, and civic projects from the ground up and as adaptive re-uses or retrofits. They will also perform routine aspects of architectural assignments including drafting, preparing high quality construction documents, meeting with clients and consultants, assembling drawings and project documents for submittal.

Superstars meet our high standards of quality and performance, collaborate with team members across disciplines, follow instructions thoroughly, and grasp concepts with a high attention to detail.

Hours worked can be used towards Architecture Licensing requirements and AXP hours.

Minimum Qualifications

1. Working towards an Architecture License
2. 2 – 5 years of experience in a professional architecture environment performing tasks from design through construction, including preparation of construction documents
3. Demonstrated use of AutoCAD or Revit to effectively produce construction documents
4. Understanding of the basic construction systems of walls, roofs, doors and windows
5. Knowledge of building code concepts and applying to project design
6. Effective manager of his/her own time, setting goals, prioritizing, and completing tasks on time
7. Willing to work with clients and consultants on a one-on-one basis to develop projects
8. Creative and flexible
9. Desire to build a team or grow professionally
10. Self-motivated and committed to growing him/herself and the firm
11. Excellent verbal and written communications skills

Compensation

Salary will be determined by candidate's skill and experience level and highly competitive with industry standards. Benefits package includes full employee health coverage (50% coverage for dependents), company 401(k) contribution, and performance bonuses.

About 4Creeks

We are a small band of visionaries, mentors, and citizens, driven by a deeply instilled belief that together we can help solve some of the challenges we face. We're determined to play our part in inspiring a new future in Central California. We call Visalia, Fresno and San Luis Obispo home and we're committed to using all the tools and resources at our disposal to make this region known for greatness.

You'll quickly find out that 4Creeks is built on a fun, challenging and collaborative work-environment. A team-based approach is the standard we uphold, and we believe that no one person is more valuable than the other. We enjoy working together and pooling our resources to provide the best solution we can create together. As you walk through our doors we think you'll see and feel the 4Creeks difference.

For immediate consideration; please email your resume and cover letter detailing your background, skills, and experience to apply@4-creeks.com. Our Human Resource Administrator will contact you promptly for initial interview coordination.
