

Land Surveyor

Job Location – Visalia, CA

Responsibilities

4-Creeks is seeking a Land Surveyor to work under the direction of the Survey Department Manager to complete various technical and non-technical tasks. Responsibilities for this position would include, but not limited to

- A wide range of design and analytical responsibilities to complete private and public sector projects.
- Working with Project Managers, subconsultants, and clients to manage projects, or part of
- Technical tasks, such as project surveying and mapping assignments, boundary surveys, ALTA's, topographic surveys, final maps, records of survey ALTA's, Construction Surveys, Easements & Legal Descriptions, etc.
- Coordination of submittals with local agencies
- Prepare or supervise preparation of data, charts, plots, maps, records, and documents related to surveys
- Develop working relationships with clients, ascertaining the client's true needs, and anticipating any potential problems

Minimum Qualifications

1. The ideal and qualified Land Surveyor will have 3-5 years of hands-on experience in land surveying and mapping of civil land development and public infrastructure projects in California.
2. Professional Land Surveyor (PLS) certification is required.
3. Must be able to demonstrate proficient working knowledge of AutoCAD Civil 3D and Trimble Business Office software.
4. Be knowledgeable about land surveying and civil engineering concepts and principles
5. Candidates must have strong verbal and written communication skills and have the ability to coordinate with other surveying and engineering staff and technicians.

Compensation

Salary will be determined by candidate's skill and experience level and highly competitive with industry standards. Benefits package includes full employee health coverage (50% coverage for dependents), company 401(k) contribution, and performance bonuses.

About 4Creeks

We are a small band of visionaries, mentors, and citizens, driven by a deeply instilled belief that together we can help solve some of the challenges we face. We're determined to play our part in inspiring a new future and rebuilding what's broken, from Bakersfield to Sacramento. We call Central California home and we're committed to using all the tools and resources at our disposal to make this region known for greatness.

You'll quickly find out that 4Creeks is built on a fun, challenging and collaborative work-environment. A team-based approach is the standard we uphold, and we believe that no one person is more valuable than the other. We enjoy working together and pooling our resources to provide the best solution we can create together. As you walk through our doors we think you'll see and feel the 4Creeks difference.

How to Apply

For immediate consideration; please email your resume and cover letter detailing your background, skills, and experience to apply@4-creeks.com. Our Human Resource Administrator will contact you promptly for initial interview coordination.
